WAXING

All therapists at Visage are trained in the use of tea tree strip wax and aftercare, being a natural anti-septic, we find it the most soothing, even on sensitive skin. We also offer pure 'HOT' flexiwax for the bikini line area, especially for Brazilian/Hollywood waxing – when you can go as bare as you dare! Please ensure you request this at the time of booking, as it does take a little longer. All times shown are approximate and may differ for new/regular waxing clients.

ELECTROLYSIS

The diathermy method of electrolysis is used at Visage, for permanent, unwanted hair removal. We offer a full consultation free of charge with the first session, to check for contra indications and to give advice regarding the treatment. To maintain the highest standards of hygiene we always use STEREX or BALLET pre-sterilized disposable needles. Our minimum charge is for a 5 min treatment regardless of the amount of hair removed, due to the costs involved.

THREADING

This is the ancient Asian art of hair removal, designed to quickly remove even the finest hair and offers a defined result with the minimal skin reaction or discomfort. The trained therapist uses a twisted cotton thread to whisk away any unwanted facial hair:

Lip/chin/jawline	15 mins	£12-£16
Sides of face or hairline	20 mins	£16-£20
Brows reshape and define	20 mins	£13-£15
Brow tidy	15 mins	£10-£13
Brow wax	15 mins	£8

BLEACHING

For fine, dark hair on the face or body that you may not wish to remove completely, we can lighten the appearance of this with an application of JOLEN cream bleach. Once hair is lighter it will blend more naturally against the skin. It is always best to have a skin test if you have not had bleaching before. It can cause some tingling and is not recommended for highly sensitive skin types.

Lip/ facial bleaching from	£10
Arms	£17
Legs from	£17
